Description of Services & Products

I represent that the attached is my valid identification. I warrant that I am authorized to execute this payment authorization using the credit card shown, and that this card is a valid card. I acknowledge that I have read and agree to all the policies and terms of service with this merchant. I agree that if I should have any complaints or issues related to the products or services provided to me, that I will provide the merchant with written notice and sufficient time and opportunity to resolve them before filing any claims.

Sincerely,
